**Subject:** Oppose SB 1094

Dear Joint Committee on Judiciary:

I am unable to attend the public hearing on March 23, 2011 in person but I urge you to please **OPPOSE** SB 1094. The bill only serves to penalize law abiding citizens and does nothing to inhibit criminals from harming others. I see no public benefit from this proposed legislation and the seizure of legally purchased private property just seems wrong and un-American, if not unconstitutional.

Thank you for your time.

Sincerely,  
Joseph W. Carone
